OCCUPATIONAL HEALTH

Audiogram: Public Health performs audiograms only on individuals who are assigned to the Hearing Conservation Program or on Flying Status.

Audiogram Hours of operation: 0800-1600 Monday thru Thursday
0800-1130 Friday

Fetal Protection Program:
If you need a pregnancy profile, you can call 232-6438 or 232-6364

DEPLOYMENT HEALTH CLINIC: Processes all military deployers and civilian travel medicine health needs. We assist Guard and Civilian deployers BUT please contact us prior to stopping in.

If a member is tasked to deploy please contact your UDM to receive reporting instructions.

Deployment Cell also offers overseas travel recommendations to all active duty and dependent personnel who are traveling out of the country. This includes any necessary medications and immunizations. Please inquire at least 2 weeks prior to overseas travel.

Pre-deployment:

Must complete DD Form 2795 and be cleared by a medical provider.

Check your Medical Readiness here: <https://asims.afms.mil/imr/MyIMR.aspx>

After you complete your Deployment Health Assessment, call (402) 232-5308 to schedule your provider appointment.

PHA CLINIC: (402) 294-8099

NOTE: "PRP PERSONNEL MUST REPORT TO THE CLINIC TO COMPLETE ANY PHA/DHA ITEMS"

Air Force (NOT PRP)

- 1) Complete your Web Health Assessment
Access: <https://afwebha.afms.mil>
- 2) Sign in and complete questions.
- 3) Call (402)232-CARE (2273) Ext: 114 and schedule your PHA

* Your Web Health Assessment must be completed before your PHA appointment.

Fliers: PHA is completed in Flight Medicine as part of Annual Flight Physical.

Air Force (PRP)

- 1) Report to PRP clinic for badge, & proceed to Public Health 30 minutes before scheduled appointment to complete hard copy of Web HA.

Army (Part 1)

- 1) Bring copy of DD Form 2808 with top portion completed.

Navy/Marines

- 1) Bring copy of IMR (Individual Medical Readiness) to PHA appointment.
